PROJECTS

Movie website

2024   Bishkek, Kyrgyzstan

A movie site is a refined gateway to the
world of cinema where viewers can
immerse themselves in the art of
storytelling explore diverse genres,
delve into thoughtful reviews, and
savor eloquent summaries that evoke
the essence of each film.

Telegram sms bot

2024   Bishkek, Kyrgyzstan

This Telegram-Bot is designed to
forward messages from the Frontend
form directly to Telegram. The
advantages of our backend lie in the
fact that any developer can easily
deploy it on any hosting service.

SUMMARY

I am a Frontend Developer with hands-on experience in Next.js and React. I possess strong communication skills and am highly motivated to continually improve and adopt new technologies ensuring I stay at the forefront of the ever-evolving tech landscape.

EXPERIENCE

Frontend Developer   08/2024 - 12/2024
Motion Web   Bishkek, Kyrgyzstan

I completed an internship at 'Motion Web' as a Junior Frontend Developer, where I actively contributed to several projects. During this time I gained valuable hands-on experience, honed my skills and played a key role in delivering high-quality frontend solutions.

- I improved my skills during my internship
- Developed
- Designed
- Optimized
